Mr. Kirk Willams
Principal
Twin Rivers Adult School
3222 Winona Way
North Highlands, CA 95660

Dear Mr. Willams:

The Western Association of Schools and Colleges is pleased to announce the action taken by the Accrediting Commission for Schools granting Twin Rivers Adult School a six-year term of accreditation, expiring on June 30, 2016.

This action was taken after a careful study of the Visiting Committee Report, which noted the stellar aspects of your institution. The Commission is confident that your institution will continue to maintain compliance with the ten (10) WASC standards required of postsecondary institutions. To ensure compliance, all postsecondary institutions are required to submit an annual report verifying continuing compliance with the ten (10) WASC standards required of postsecondary institutions by September 15. The report format will be sent to you approximately three months prior to the September 15 deadline.

Please accept our congratulations on the quality of instruction being offered in your institution. A certificate of accreditation will be forwarded to you in the near future.

Very truly yours,

Dale J. Mitchell
Commission Chair
